Frequently Asked Questions

Transfer to Carroll University for Bachelor of Science Degree with
WCTC Associate Degree in **Early Childhood Education** Program

When should I apply to Carroll?

- Students must submit an admission application (no fee), an official high school transcript, official transcript from all post-secondary institutions attended and the academic report form (from the last school attended). See http://www.carrollu.edu/prospective/transfer/ for details.

Am I guaranteed admission to TEP at Carroll University with an associate degree from WCTC? Is there a minimum GPA required for admission?

An associate's degree does not guarantee admission to TEP at Carroll. Students accepted to Carroll University are allowed to enroll in 100 and 200 level Education courses without formal acceptance to TEP. To be eligible for program admission, students need to meet the following requirements:

- Students must have completed at least 40 undergraduate credits with a minimum cumulative grade point average of 2.75 as well as a grade of C or better in all education major and minor courses and English 170 or its equivalent. At least 12 credits must be completed at Carroll before applying to TEP.
- Students will need 150 documented clock hours of work with children.
- Students submit their Phase I portfolio to provide initial evidence of their development as a teacher and learner. Students are admitted to the TEP before prior to enrollment in any Education course over the 200-level.
- Candidates may apply to the Teacher Education Program (TEP) by September 25 for fall TEP admission and by January 25 for spring TEP admission.

How many credits will transfer from my WCTC program to Carroll University?

- The answer depends on the program and which electives you may have chosen while enrolled in your program at WCTC. Carroll University will accept no more than 64 transfer credits from a 2 year institution (1/2 of the number needed for a bachelor's degree). Please consult with Carroll University for specific details about your program.

Who should I contact with questions about transferring to Carroll University?

- For more information about admission to Carroll and the TEP program, please contact Linda Sklander at sklander@carrollu.edu or 262.524-7228. To schedule a visit or set up an appointment, please call the Office of Admission at 262.524-7220.
