Carroll University School of Business
Business Administration – Economics - Finance
Marketing - Management and Leadership

(see additional guides for Accounting and Health Care Administration)

Carroll University’s School of Business prepares you for a career in a variety of organizations and industries. We take a *real-world approach* that gets you out of the classroom and into hands-on experiences. You’ll have opportunities to meet and network with business leaders from around the region and across the country, benefiting from the value of their expertise. Our faculty emphasize innovation, creativity, drive, and collaborative problem-solving. They’ll get to know *you* and personally invest in your success.

Students can choose from the following programs: Business Administration, Economics, Finance, Marketing, Management and Leadership, Accounting and Health Care Administration.
