The Department of Visual and Performing Arts offers majors in art, book art, graphic communication, music, music education, photography and theatre arts, as well as minors in art, graphic design, music, photography, theatre arts, and web design.

**ART MAJOR**

The art major offers several directions for the student who has an interest and talent in the visual expressive arts. Individualized advising helps the student choose a major with one of the following three emphases:

1. Fine arts which prepares students for careers in gallery/museum or arts administration, or for graduate work in studio art, art therapy, or art history.
2. Art education which prepares students for K-12 teaching certification.
3. Commercial art which prepares students for careers in graphic design and illustration.

All majors are encouraged to attend art exhibition openings and/or workshops and field trips sponsored or approved by the art faculty. All majors are required to create a sophomore portfolio and have a senior show and portfolio to be approved by the art faculty.
Learning Outcomes for Art
Upon graduation, the art student will be able to demonstrate:
1. Mastery of skills in his/her chosen area of emphasis.
2. Familiarity with the history of art and the ability to discuss it within the context of their work.
3. Ability to write articulately about art.
4. Ability to present self and work professionally.
5. Ability to develop a cohesive body of work.

Core Courses (28 credits)
Art 103, 104, Art History Surveys
Art 106, Drawing and Composition
Art 107, Beginning Design 2D and 3D
Art 206, Intermediate and Life Drawing
Art 300, Art History Survey
Art 490, Capstone in Art

Fine Arts Emphasis (28 credits)
Bachelor of Arts

Core Courses, plus
Art 201, Painting I
Art 209, Photography I or
   Art 230, Printmaking I
Art 220, Sculpture I
Art 225, Ceramics I or
   Art 235, Art Metals
Art 306, Advanced and Life Drawing

Two additional courses in the same area at an advanced level:
Example: Art 320, Sculpture II and Art 340, Advanced Media Studies

In addition, Fine Arts students interested in gallery/museum, art therapy or arts administration should plan to take an internship in the field. Those interested in graduate work in studio art or art history should work to fit in extra studio or art history courses, respectively, as time allows.

Required Support Courses (Required for primary majors only)
Completion of a Modern Language through 202

Art Education Emphasis* (37 credits)
Bachelor of Science

Core Courses, plus
Art 201, Painting I
Art 209, Photography I
Art 211, Gallery/Museum Experience (1 credit)
Art 220, Sculpture I
Art 223, Creative Arts for Children (2 credits; does not count toward major)
Art 225, Ceramics I
Art 230, Printmaking I
Art 235, Art Metals
Art 258, Visual Communication
Art 353, Methods of Teaching Secondary Art (2 credits; does not count toward major)
One 4-credit elective course in art

Required Support Courses
2 credits of Computer Science: 107 or higher
Environmental Science 120, Conservation and Environmental Improvement
Graphic Communication 106, Introduction to Communication Technology
Mathematics 112, or Mathematics 140 or higher

*Students preparing for teaching must meet state licensing requirements through enrollment in the Teacher Education Program.

Commercial Art Emphasis (36 credits)

Core Courses, plus
Art 201, Painting I
Art 209, Photography I
Art 220, Sculpture I
Art 230, Printmaking I
Art 250, Electronic Imaging
Art 258, Visual Communication
Art 304, Illustration
Art 480, Internship in Art
Graphic Communication 320, Introduction to Multimedia Production

Required Support Courses
Business 101, Introduction to Business
2 credits of Computer Science: 107 or higher
Graphic Communication 106, Introduction to Communication Technology
Mathematics 112, or Mathematics 140 or higher

In addition, students are encouraged to select from the following courses:
Communication 203, Advertising; Graphic Communication 200, Color and Typography; Graphic Communication 210, History of Graphic Design; Fine Arts 221, Legal Issues in the Fine Arts

BOOK ART MAJOR (58 credits)

The book art major is designed for students interested in preparing for careers in book publishing, as well as students interested in creating books as an art form.
Students in this major are required to attend the Florence University of the Arts during their junior year. They may elect to enroll for a summer, a semester, or an entire year. Those students attending all year can earn a Certificate in Publishing from Florence University of the Arts.

All book art majors are encouraged to attend art exhibition openings and/or workshops and field trips sponsored or approved by the art faculty. All majors are required to create a sophomore portfolio and have a senior show and portfolio to be approved by the art faculty.

**Learning Outcomes for Book Art**

Upon graduation, the book art student will be able to:

1. Summarize key innovations in the history of book making and publishing and their importance in social and cultural changes.
2. Demonstrate the ways in which contemporary trends in book making and publishing are utilized, and apply this to his/her own work.
3. Utilize his/her understanding of the history of book making and publishing, as well as their knowledge of current trends, to examine the book publishing market and to formulate specific employment-related goals.
4. Speak effectively and articulately about the field of book art.
5. Write effectively and persuasively and edit critically to accepted publication standards.
6. Utilize skills in photography and design in the creation of books, and demonstrate skills in layout and pre-press used in publication or book creation.
7. Interact and communicate effectively in an international setting.
8. Think, work and move across cultural boundaries.

**Core Courses**

- Art 209, Photography
- Art 250, Electronic Imaging
- Art 258, Visual Communications
- Art 340, Advanced Media Studies
- Art 480, Internship (4 credits)
- Art 490, Capstone
- Fine Arts 230, Book History
- Graphic Communication 106, Introduction to Communication Technology
- Graphic Communication 200, Color and Typography
- Graphic Communication 230, Digital Photography

Two of the following courses:

- English 206, Fiction Writing
- English 207, Poetry Writing
- English 208, Nonfiction Writing
- English 305, Advanced Expository Writing

**Required Support Courses**

Completion of a Modern Language through 202
Students will be required to take 12 additional credits in the Book Publishing program at the Florence University of the Arts (FUA). The courses should be selected from the following FUA courses:

**CERTIFICATE IN PUBLISHING – Florence University of the Arts**

**Semester 1 – FALL**
- Italian Language – Beginning 3 credits
- Introduction to Digital Photography 3 credits
- Fundamentals of Publishing and Editing 3 credits
- Creative Writing 3 credits
- Introduction to Computer Graphics 3 credits

**Semester 2 – SPRING**
- Italian Language – Intermediate 3 credits
- Intermediate Digital Photography 3 credits
- Professional Book Production 3 credits
- Public Relations, Communications & Marketing 3 credits
- Lifestyle Magazine Project II 6 credits
- Special Project in Book Publishing 9 credits

Note: Italian is required each semester at FUA. These credits may not be included in the 12 credits abroad for the major.

**GRAPHIC COMMUNICATION MAJOR**

Bachelor of Science

Graphic Communication at Carroll University is an interdisciplinary major from the graphic communication, art, business, communication, and computer science programs. This major is offered in conjunction with a required 160-hour internship and a capstone experience in which students independently create real world projects. Two minors offered within graphic communication are aimed toward students who plan to major in other academic programs and acknowledge the integrated usefulness of graphic communication within their major area of study.

**Learning Outcomes for Graphic Communication**

Upon graduation, the graphic communication student will be able to:

1. Measurably demonstrate and apply a high competency working knowledge of various digital software applications and hardware components.
2. Measurably demonstrate and apply industry-standard graphic design principles as they pertain to various digital media vehicles.
3. Apply learning outcome skill sets to produce digital media projects for the purpose of communication on behalf of client/audience objectives.
4. Create communication-based creative solutions to effectively broadcast specific messages that utilize typography, color, digital photography, images, digital video and print.
5. Utilizing historical documentation for reference, case studies for application, and examples of industry trends, students will apply their skill set to create messages that communicate across a variety of media.

6. Utilizing "real world" strategy, concept and application, students will implement their skill set of technology, understanding of design theory, identification with audience, and association with various delivery methods to produce graphic communication materials that best represent client goals.

7. Pay special attention to and evaluate software and hardware capabilities, lifespan, and usefulness, which will guide them to an understanding of the role of graphic design management.

8. Participate in the writing of creative briefs, apply the dynamics of communication practices, as well as investigate and understand the role of branding, marketing, and advertising.

9. Utilize website construction software and apply the appropriate skill set to develop online portfolios and client-based solutions.

10. Develop the ability to think critically, to problem solve, and to generate creative solutions.

The graphic communication program has numerous offerings which teach students the use of various tools needed in graphic communication in the 21st century. The art, business, computer science and communication programs use these tools to develop students' talents and the business program's courses cover the use of graphic communication in the world of organizations. Each course within the curriculum uses the technology of the 21st century to achieve its objectives.

There are four emphases within graphic communication:

- The **graphic design emphasis** is for students interested in using their artistic bridging technology and graphic communication skills across a variety of media (print, web, new media, etc.). They may work as graphic artists, as web page designers or as desktop publishing professionals. Students may also consider a second major or a minor in computer science.

- The **design management emphasis** is for students who wish to evolve their graphic communication skills into management positions or start their own company. Students wishing to excel in this area may consider a second major or minor in business.

- The **print management emphasis** is for students wishing to enter the print industry and is a collaborative program with Waukesha County Technical College. The print management emphasis is based upon both the actual operation of print presses as well as design/management/business concepts.

- The **web design emphasis** is for students who particularly wish to develop projects for placement on the World Wide Web. Students wishing to excel in this area may consider a second major or minor in business or computer science.

MUSIC MAJOR

The music major offers both liberal arts and professional degrees as a preparation for a variety of careers, including music performance, music education, and music business. For the performance emphasis, two one-hour recitals are required in successive years, usually during the junior and senior year. The liberal arts emphasis requires a half-hour recital in the final semester of study. A proficiency in piano must be passed by students with the performance emphasis or bachelor of music education degree. This competency should be completed by the end of the sophomore year. Acceptance into the performance emphasis requires a special audition. Performance juries are required of all music majors and minors each semester.

Students planning to major in music are required to satisfactorily complete an audition for the music faculty, usually in the month of February preceding the freshman year.

Transfer students must take a music theory placement examination before registering for music courses.

Performing organizations are open to all students by audition. Qualified students may also receive ensemble credit by performing in the Waukesha Symphony, the Waukesha Choral Union, or the Waukesha Area Symphonic Band.

Learning Outcomes for Music

Students studying music will:
1. Be prepared to effectively contribute to the professional work of a musician in education, performance, and music business.
2. Understand and articulate the historical perspective of musical expression and the theoretical base upon which this expression rests.
3. Articulate and execute the skills, both as an individual and as part of an ensemble, necessary for achieving an aesthetic experience in music.

BACHELOR OF MUSIC EDUCATION
The bachelor of music education prepares students to a high level within the discipline of music, including performance, theory and history, and, at the same time, prepares future teachers for careers of distinction and leadership. The central philosophy of the degree is that music teachers can be most effective only by first becoming accomplished musicians themselves, capable of performing, conducting and analyzing at a sophisticated level.

Two half-hour recitals are required in successive years, usually during the junior and senior year. A voice competency is required of all instrumental music education majors. A proficiency in piano must be passed by all bachelor of music education majors. This competency should be completed by the end of the sophomore year.
Students planning to major in music are required to satisfactorily complete an audition for the music faculty, usually in the month of February preceding the freshman year.

Transfer students must take a music theory placement examination before registering for music courses.

Performing organizations are open to all students by audition. Qualified students may also receive ensemble credit by performing in the Waukesha Symphony, the Waukesha Choral Union, or the Waukesha Area Symphonic Band.

Students in the BME degree program must meet all requirements of the secondary education minor (except EDU 100, EDU 209, EDU 265 and EDU 304), including the required core and Liberal Studies Program Area courses in education, and meet state licensing requirements through enrollment in the Teacher Education Program (TEP) at the University.

THEATRE ARTS MAJOR (48 credits)
The theatre arts major is intended to prepare students for continued engagement in the
theatre arts, theatre education, or graduate studies. Through traditional classroom
work, participation in fully produced mainstage productions, a multifaceted student theatre season, and in-depth community partnerships, we strive to train the artist of
today for the theatre of tomorrow.

Learning Outcomes for Theatre Arts
Upon successful completion of major requirements students will be able to demonstrate:
1. An understanding of theatre history and literature in a global context.
2. The skills necessary to take part in the collaborative theatre process.
3. A deep appreciation of theatre as a vital art form serving a diverse community.

Core Courses
Theatre Arts 101, Introduction to Theatre Arts

   Theatre Arts 380/480, Internship in Theatre Arts
   Theatre Arts 390/490, Theatre Projects
   Theatre Arts 460, Applied Theatre: Capstone Experience I (2 credits)
   Theatre Arts 461, Applied Theatre: Capstone Experience II (2 credits)

Required Support Courses
Completion of a Modern Language through 202
Students applying the theatre arts major to licensing in theatre education must complete a secondary education minor.

**ART MINOR (24 credits)**

Art 103 or 104, Art History Surveys  
Art 106, Drawing and Composition  
Art 107, Beginning Design 2D and 3D  
Three 4-credit elective courses in art

**FINE ARTS ADMINISTRATION MINOR (26 credits)**

The fine arts program is the home of interdisciplinary courses and a minor that bring together the disciplines of Art, Music and Theatre. These courses and programs reflect the fact that the boundaries between the traditional fine arts disciplines have become blurred, and careers in the fine arts often draw upon an array of skills and a wider knowledge base than one might acquire in a single discipline. The Arts Administration minor is designed for students with a major in Art, Photography, Theatre or Music, although it may have a broader appeal and is open to any student who is interested.

**Program goals**

- To provide students with an understanding of the requirements and responsibilities of arts administrators/managers and allow them to explore the range of opportunities available to graduates with arts management skills  
- To provide students with the knowledge and skills they need to identify and take advantage of the opportunities available in the field  
- To help students make connections to arts organizations and venues in the community, and to help students find high caliber internships that offer work experience in the field

**Learning Outcomes for Fine Arts Administration**

Upon completion of the minor, students will be able to:

1. Demonstrate knowledge and understanding of arts organizations and venues, how they are managed, and their relevance within the larger community  
2. Demonstrate awareness of the role and responsibilities of the manager within arts organizations and/or venues and within the larger cultural and social context  
3. Explain and respond to the challenges faced by arts managers and arts organizations in the areas of organization, promotion, funding and legal issues

ART 223. Creative Arts for Children 2 credits
Focus is on children’s creative expression and integration of art with curricular needs in K-6 education. This course does not count toward an art major. (Required course fee) (Fa, Sp, Su, Wn) Prerequisite: EDU 203.

ART 225. (110) Ceramics I L5 4 credits
A serious exploration of clay as an artistic medium. This class introduces the beginner to a variety of techniques with an emphasis on hand-building. (Required course fee) (Fa, Sp, Su)

ART 230. (303) Printmaking I 4 credits
A study of drawing and composition applied to the making of multiples. The course introduces the media of relief serigraphy, and etching with some opportunity for the student to specialize. (Required course fee) (Fa) Prerequisites: ART 106 and ART 107 or consent of instructor.

ART 235. (307) Art Metals 4 credits
This course covers some fundamentals of jewelry and metalsmithing including basic hand-tool knowledge fabrication techniques, soldering, stone setting and an introduction to the history of jewelry and contemporary metalwork. (Required course fee) (Fa, odd years)

ART 250. (311) Electronic Imaging 4 credits
A study of the computer as a tool for the making and manipulation of images. Although this course includes graphic designing techniques on the computer, it emphasizes photography in an electronic context. (Fa, Sp)

ART 258. Visual Communication 4 credits
Studies design as applied in the commercial and graphic arts field, including lettering, layout, preparing art for printing and package design. Also offered as COM 258. (Sp) Prerequisite: GRC 106.
ART 291/391. Special Topics in Art 2-4 credits
Study of a special topic in art that is not covered in regular course offerings. This could be a studio or art history based course. The topic will be announced before registration.

ART 298/398. Independent Study 4 credits
Independent study of selected areas already covered by a studio course. (Required course fee) (Fa, Sp) Prerequisite: Approval of divisional dean and consent of instructor.

ART 300. Early Modernism to Present: Art History Survey L5 4 credits
A survey of painting, sculpture, architecture and other visual arts from Postimpressionism (approximately 1880's) to present. Explores historical, philosophical and cultural influences on artistic practices in the development of western civilization. (Sp) Prerequisite: Junior standing, ART 104 recommended.

ART 301. Painting II 4 credits
Intermediate level study of oil painting with an emphasis on self-expression and continued skill development. Subject matter will focus on abstract issues as well as introduction to narrative ideas. (Required course fee) (Sp) Prerequisites: ART 201 or consent of instructor.

ART 304. Illustration 4 credits
Studies designed to develop portfolio-quality illustration in graphic design. Manual and computer techniques are explored. (Required course fee) (Fa, even years) Prerequisites: ART 106, 206 and 258 or consent of instructor.

ART 306. (302) Advanced and Life Drawing 4 credits
A continuation of ART 202 with more thematic development. A minimum of one third of the course will be drawing from the nude model. Taught simultaneously with ART 206. (Required course fee) (Sp) Prerequisite: ART 206.

ART 309. Photography II – Fine Art 4 credits
Advanced photographic techniques in both black and white and color with further development of creative expression. Adjustable camera required. (Required course fee) (Sp, odd years) Prerequisite: ART 209.

ART 310. Photography II – Commercial 4 credits
Advanced photographic techniques in both black and white, color and digital with emphasis in commercial photography. Adjustable camera required. (Required course fee) (Sp, even years) Prerequisite: ART 209.

ART 312. Video Art 4 credits
This course provides an introduction to the basic practices of time-based media, including animation, with emphasis on narrative, planning of action, and sequencing of images. Also offered as GRC 391. (Fa)
ART 313. Travel Journals 4 credits
Students will read and discuss travel writing from the region of study as well as practice the writing and drawing skills necessary to record experiences and observations. As part of the course students will travel over Spring Break, or during May term, to the country of focus. Also offered as NCEP 313. (Sp, odd years) Prerequisite: Consent of instructor.

ART 320. (405) Sculpture II 4 credits
This course is taught simultaneously with ART 220. Individually created problems in sculpture that focus on continued development of skills and on thematic development. (Required course fee) (Sp) Prerequisite: ART 220.

ART 325. (210) Ceramics II 4 credits
Individually created problems in ceramics as well as advanced study in glazing and firing. (Required course fee) (Sp) Prerequisite: ART 225.

ART 330. (403) Printmaking II 4 credits
This course is taught simultaneously with ART 230. Advanced study in graphics with opportunity for self-direction in a concentration on one or two media. (Required course fee) (Fa) Prerequisite: ART 230.

ART 340. Advanced Media Studies 4 credits
This course is designed so that students who have had the beginning and intermediate courses in a specific medium can continue their study in this area with specific focus. Students are expected to develop a body of work in a series. (Required course fee) (Sp) Prerequisites: The beginning and intermediate course in the same medium, or consent of the instructor.

ART 353. Methods of Teaching Secondary Art 2 credits
This course is not included in an art major or minor but is part of the professional education program. (Fa) Prerequisite: Admission to the Teacher Education Program.

ART 401. Painting III 4 credits
This course continues development in painting technique from Painting II, focusing on experiments in composition, exploring painting as process, and contemporary painting issues. In this course you will be required to do research and create a series of paintings. (Required course fee) (Sp) Prerequisite: ART 301.

ART 480. Internship in Art 4 credits
Supervised professional work experience. Written report required. Limited to two semesters (8 credits) which will apply toward degree. (Fa, Sp, Su) Prerequisite: Consent of instructor.

ART 490. Capstone in Art 4 credits
Preparation for senior exhibitions through regular critiques and research into contemporary art issues. Professional development in writing and speaking about art as well as portfolio preparation. (Fa) Prerequisite: Senior standing.
FAR 120. Introduction to Fine Arts Administration 4 credits
An introduction to the theory and practice of arts administration. The course offers historical perspective for the position of the arts in the economy, education, and public policy in the United States and shares a basic framework for developing organizational vision, planning methods, fundraising, marketing approaches and fiscal management. Students are introduced to local arts organizations, their goals and challenges. (Sp, even years) Prerequisite: BUS 101.

FAR 221. Legal Issues in the Fine Arts 4 credits
This course explores some of the pressing legal issues related to the arts in contemporary society, including intellectual property law (particularly copyright), employment law, contract law, agency law, licensing and cyberlaw, as well as nonprofit status, management and funding. Legal issues related to emerging media are considered, as are the broader ethical responsibilities of artists and arts organizations. (Fa, even year)

FAR 230. Book History 4 credits
History of the Printed Book explores the history of communication through manuscript and printed format. From Egyptian papyrus scrolls in 1370BC to Asian folded books in 930 AD to Johannes Gutenberg’s 15th century 42-line Bible, this course examines the critical moments in communication and book design, typography, color use, and construction. (Sp, alternate years)

GRC 106. Introduction to Communication Technology 2 credits
This class provides an introduction to numerous computer applications (Adobe Creative Suite) used within the field of digital communication. Special emphasis will be placed on desktop publishing software, history of graphic design, inter-environment communications, graphics formats and file handling software. (Fa, Sp, Su)

GRC 150. Digital Toolbox: Photoshop and Illustrator I 4 credits
This course introduces Graphic Communication students to the professional design tools used by current design industry. Students will learn the differences between the raster and vector applications and the uses of each, how to access/utilize various color systems (print and web), and prepare files for final production within print, web, and multimedia. (Fa, Sp, Su)

GRC 200. Color and Typography 4 credits
Color and Typography will explore, in detail, two of the four primary elements in digital media: the implementation of color and use of typography. Use of additive, subtractive and Pantone colors will comprise the color portion of the course; examination into word/letterforms, typefaces, and comprehension studies will comprise the typography portion of the course. (Sp) Prerequisite: GRC 150.

GRC 210. History of Graphic Design 2 credits
The history of Graphic Design begins with cave markings from approximately 200,000 years ago and continues through to today’s digital technology processes. Students will investigate specific periods in graphic design history, explore historic methods in communication, and be introduced to the global influences in graphic design. (Fa)
GRC 230. Digital Photography 4 credits
Digital Photography is designed to develop a student’s skills in digital photography and its uses within print and digital presentations. Throughout the course of the semester, students will learn the differences between film and digital cameras, digital photo editing techniques, aesthetic qualities of photography, and the tools associated with digital photography. Students will learn to digitally capture images among a variety of photographic situations. Students will also learn how to prepare images for print and onscreen presentation. ($60 course fee) (Sp)

GRC 290. Digital Toolbox: Photoshop and Illustrator II 4 credits
Students will build upon their skill set acquired in Digital Toolbox Photoshop and Illustrator I. Students will explore animation, web image development, paths and shapes creation, print file preparation, automation, and execution into other digital vehicles. Students will create a variety of projects that emphasize the importance of communication and audience. (Sp)

GRC 295. 3D Digital Design 4 credits
3D Digital Design affords students the opportunity to create realistic environments, characters, and objects using state-of-the-art software. Students will learn to model, paint, sculpt, render and animate for environmental design, package design, gaming, product design, and industrial design. (Fa)

GRC 320. Introduction to Multimedia Production 4 credits
This course is designed as a Graphic Communication course, emphasizing artistic production using web development software (Adobe Dreamweaver), including, but not limited to: animation, digital video, and creating multimedia presentations and artworks. Multimedia, for the purposes of this course, means utilizing more than one of the following media elements: sound, images, text, video, animation, and/or interactivity, in all projects. Emphasis will be on the marriage of sound design, sophisticated content and visual interest. (Fa) Prerequisite: ART 250, GRC 106, or GRC 150.

GRC 330. Digital Video I 4 credits
Students will learn how to use storyboarding techniques to develop short video project, videotape indoor and outdoor scripted scenes, edit digital video using iMovie, enhance audio, upload video to their own websites, and create DVDs/VCDs. Students will learn to identify scenes and still images that work best in a video project. Students will develop short video projects for specific and general audiences alike. (Fa)

GRC 340. Digital Video II 4 credits
Students will utilize skill sets learned in Digital Video 1 to create two documentaries utilizing Final Cut Pro Studio 2 (the industry standard in video production). Students will learn the elements of defining and writing storyboards and develop scene scripting for two one-hour documentaries that address public issues. Students will learn interviewing techniques, hone video production skills, and learn the latest trends/techniques in producing social awareness videos. (Sp)
GRC 360. Digital Flash Gaming 4 credits
Students will utilize skills learned in GRC 320 to create Adobe Flash games for creative marketing application and entertainment. In addition to creating flash games, students will learn how to upload files for general audience use. Students will be assigned specific marketing projects for their Adobe Flash games for use across a wide variety of digital vehicles. Other Flash projects may be assigned during the semester to expand the student's understanding of techniques and objectives. (Sp)

GRC 391/491. Special Topics 1-4 credits
Study of a selected topic not covered in the regular curriculum. The topic will be announced prior to the beginning of the semester. Four credits maximum will apply toward degree. Prerequisite: Consent of instructor.

GRC 450. Capstone: Projects for Graphic Communication Majors 4 credits
A seminar intended to consolidate and expand your experience and education as well as a foundation for continued research as you prepare to enter your chosen field. (Sp) Prerequisites: All program requirements completed.

GRC 480. Internship in Graphic Communication 1-12 credits
Professional work experience in your field under the supervision of faculty and industry personnel. Course is repeatable to a maximum of 12 credits. Each four credits should have substantially different learning experiences. 160 hours of internship work experience is expected for every 4 credit hours attempted. (Fa, Sp, Su) Prerequisites: Junior or senior standing and director approval. Grading is S/U.

Courses offered at Waukesha County Technical College

GRC 110 (WCTC204110). Print Media/Digital Publishing I 3 credits
Study offset lithography, flexography, and digital printing. Compare and contrast the advantages and disadvantages of the printing methods of gravure, and screen-printing. Produce single, two- and four-color printed pieces. Acquire knowledge relating to CTP, the PMS system, screens, halftones, print careers, print economics and the four-color process.

GRC 120 (WCTC204120). Print Media II 3 credits
Print single and multicolored projects using primarily Heidelberg Printmaster GTO2 color 20-inch presses. Study the common elements of all presses the feeder, registration, printing, and delivery systems. Learn basic press maintenance and problem solving, pressroom chemistry, and safety. Become familiar with paper of various kinds, weights, textures, and sizes, as well as various types of ink. Prerequisites: GRC 106.

GRC 121 (WCTC204121). Digital Illustration 3 credits
Enhance ability to draw on the computer with Adobe Illustrator. Learn how to apply various filters and colors to objects; create masks around objects; use the transformation tools (rotate, scale, reflect, shear, blend); create compounds and make special dashed lines to create many special effects. Prerequisites: ART 250 and GRC 106.
GRC 122 (WCTC204122). Post Press/Distribution 3 credits
Explore current and emerging technologies for binding, finishing, and distributing printed materials. Learn the basic operations of commercial bindery and finishing equipment.

GRC 130 (WCTC204130). Print Media III 3 credits
Use a computerized press console to set up and operate a Heidelberg SM742 color perfecting press. Reproduce high quality line and halftone copy in multiple colors on a Komori Sprint 262 color, a Heidelberg Printmaster GTO 525 color and other two-color presses. Discuss flexographic printing and platemaking.

GRC 135 (WCTC204139). Digital Workflows 3 credits
Study computer integrated manufacturing technologies as applied to commercial printing production problems. Discuss preflighting, trapping, and imposition. Learn to properly prepare and analyze digital files for output to eliminate problems that can occur during the printing production process. Prerequisites: 204121 Digital Illustration and 204131 ImageEditing/Photoshop.

GRC 140 (WCTC204140). Estimating and Scheduling 3 credits
Examine the scope and functions of printing estimating. Estimate, cost, and price various printing services. Discuss topics including computers for production and management, developing a cost estimating system, estimating paper, ink electronic prepress, press and finishing operations, and marketing and management issues. Analyze various operations within the printing industry. Prerequisites: 204139 Digital Workflows.

GRC 141 (WCTC204141). Production Coordination/ Customer Service 3 credits
Explore the commercial printing manufacturing process. Examine the role and function of the customer service representative, electronic workflows, and time requirements for production of commercially printed products that are within budget. Prerequisites: 204122 Post Press/Distribution, 204130 Print Media.

GRC 142 (WCTC204142). Color Management 3 credits
Combine math, physics, and chemistry concepts with measurement and statistical process control methods to appraise, control, and improve color reproduction. Learn to use and work with densitometers, spectrodensitometers, spectrophotometers, tone reproduction control software, and color measurement software.

MUS 105, 106*, 107*, 108*. Class Piano 1 credit
Fundamental piano skills to establish basic piano proficiency. May be taken a maximum of four semesters. (Does not count toward major or minor.) *106, 107 and 108 need consent of instructor. (105 & 107-Fa; 106 & 108-Sp)

MUS 111. Music Theory I 3 credits
Study of the basic fundamentals of music, including rhythm and meter, keys, scales, intervals and triads. (Fa)
MUS 112. Music Theory II 3 credits
Study of basic partwriting, development of theoretical and analytical skills. (Sp)
Prerequisite: MUS 111.

MUS 113, 114, 213, 214. Aural Skills I, II, III, IV 1 credit
These courses complement the Music Theory sequence: 113 corresponds to MUS 111; 114 corresponds to MUS 112; 213 corresponds to MUS 211; and 214 corresponds to MUS 212. The goal of these courses is to develop the aural skills necessary for success in the performing or teaching fields of music. The writing of dictated rhythms, melodies, and harmonies, and the sight-singing of rhythms and melodies are the central activities of each course. Prerequisites and corequisites: the corresponding Music Theory course is a corequisite or prerequisite for each Aural Skills course, and the Aural Skills courses must be taken in numerical order.

MUS 117. Class Voice 1 credit
Class lessons to learn basic vocal skills. May be taken a maximum of two semesters. (Fa, even years)

MUS 120. Introduction to the Music Industry 4 credits
This course introduces students to the most prominent career tracks in the music industry. Students learn business skills and knowledge essential for establishing a professional music career within a variety of business-related fields, including arts management, recording industry, retail business, and arts organizations. (Sp, even years)

MUS 140. Foundations of Music Education 2 credits
The purpose of this course in Music Education is to introduce students to the profession in a way that will give them focus and motivation in the rest of their academic work. By understanding the role that music will play in the transformation of education in the future, students will become clear about why they are undertaking the curriculum of music study designed to result in mastery of the discipline. Students will gain a working knowledge of the Department of Public Instruction’s Wisconsin Model Standards for Teacher Development and Licensure as well as the K-12 Standards in Music. Particular emphasis will be given to the role of schools within the society, curriculum development, assessment strategies, pedagogy, financial and legal aspects of schooling and governance in the public schools. (Sp)

MUS 141. Workshop: Introduction to Education 0 credits
This one-day (8-hour) workshop is designed to introduce students to the philosophy and requirements of the Carroll University Teacher Education Program and the Wisconsin Department of Public Instruction (DPI). The Workshop provides students with a working knowledge of the Wisconsin Model Standards for Teacher Development and Licensure and the Guiding Principles of Carroll University’s Education Department. It also introduces students to topics that connect schooling and society including the social context of schooling and teaching, curriculum, financial and legal aspects of schooling, and governance in schools. It also promotes self-reflection, critical thinking and the development of a teaching philosophy. (Sp)
