### **The Future of Nursing: Leading Change, Advancing Health Implications for Nursing of the Institute Of Medicine Panel Presentation**

The Institute of Medicine with support of the Robert Wood Johnson Foundation, conducted a two year study looking at the opportunities for addressing the health needs of the public through advancing the practice of nursing. A formal report was released on October 5, 2010. The panel will discuss the eight recommendations and implications for nurses in Wisconsin.

**Deadline for reservations and payment is MARCH 28, 2011**
