To: All Incoming Intercollegiate Student-athletes

From: Carroll University Athletic Training Staff

RE: Pre-season Medical Information and Forms

Dear Student-athlete,

Enclosed you will find several forms that must be completed, signed, and returned to Carroll University before July 31. These forms can also be found on the athletics website.

All of these forms must be turned in BEFORE you can participate or compete for Carroll University. Please read each form carefully and provide accurate information. The following forms should be included in this packet:

- Preparticipation Physical Exam (History and Physical Evaluation to be reviewed and completed by a physician)

- Insurance Information Form (Be sure and have student athlete’s and parent’s signature on back and include a front and back copy of the insurance card)

- Explanation of Carroll’s insurance coverage (This is yours for future reference)

Please make sure all forms are signed. Thank you for your prompt attention in completing these medical forms and returning them to Carroll University. We look forward to seeing you in the fall.

Sincerely,

Steve Staab, M.Ed, LAT
Head Athletic Trainer
