Dear Carroll Student,

Welcome to the Carroll Community! I would like to take this opportunity to share some information regarding Carroll's Student Health Insurance.

Carroll University requires all full-time undergraduate students to carry health insurance. Full-time students are automatically enrolled in the University-sponsored student health insurance plan until proof of coverage by another policy has been provided. This charge will appear on the tuition statement.

Students must either:

a) Enroll in the student health insurance plan sponsored by the University. To do this, please fill out the enrollment form and return to Vicky Alf (302 Voorhees) as soon as possible to ensure the proper data is sent to the insurance company. **Annual price will be determined by July 1, 2010.**

OR

b) Provide proof that they have comparable coverage through a parent’s plan or another policy. To do this, go to [www.srstudentcenter.com](http://www.srstudentcenter.com), choose "Carroll University" from the drop down menu and fill in the appropriate information regarding your plan. Once proof of insurance is approved, the insurance charge will be taken off the student's account. **This website will not be available until July 1, 2010.**

The University has partnered with *United Healthcare Student Resources*, a leading agent in student health and accident insurance plans. The Carroll University/United Healthcare plan coverage for this academic year is from August 1, 2010 to July 31, 2011.

Please note that many insurance and HMO plans do not provide coverage outside of your home area. Please review your policy carefully before waiving the University sponsored plan.

The health and well-being of our students is very important to us. Should you have any questions regarding this information, please feel free to contact Vicky Alf at 262.524.7372 or via email at valf@carrollu.edu. Thank you.

Sincerely,

Theresa A. Barry, ABD
Dean of Students
