Student Health Insurance for 2011-12

Your health and well being are important to Carroll University and to your academic success. That’s why all registered undergraduate and international students are required to have health insurance, either through Carroll or another source such as your parent’s employer (as long as the other health insurance meets Carroll’s waiver requirements).

The Student Health Insurance Plan is designed to meet the unique health care needs of Carroll students and supplements services offered at the on-campus Student Health Center. Current coverage and premium information for the 2010-11 Plan is enclosed. As soon as Plan details for the 2011-12 are finalized, they will be available on the University’s website at http://www.carrollu.edu/campuslife/healthSer.asp.

Each academic year you are enrolled at Carroll University, you must make the choice to enroll in or waive the University sponsored Student Health Insurance Plan. The Enrollment/ Waiver Period for the 2011-2012 academic year ends on September 30, 2011.

If you do not enroll or waive by the end of the Enrollment/Waiver Period, you will automatically be enrolled in the University sponsored Student Health Insurance Plan. The charge for the insurance will be placed on your student account and an insurance card will be sent to your home address.

If you have comparable coverage now, you may submit the enclosed Waiver Statement to:

Vicky Alf
Carroll University
100 N. East Avenue
Waukesha, WI 53186
FAX 262-650-4814
