

Athletic Training Skills Camp

June 16, 2022 | 10:30a.m.-2p.m. | VanMale Fieldhouse

This free event will introduce you to an exciting career opportunity in athletic training.

- Spend the day with athletic trainers who have more than 38 years of combined experience.
- Learn and practice basic athletic training skills like taping, bracing, wound management and emergency management.
- Experience a day in the life of our athletic trainers, complete with a Q&A session.
- Encounter real-life anatomy features on Carroll's state-of-the-art Anatomage table.
- Gain hands-on experience in Carroll's multiple athletic training facilities.
- Lunch provided-must register by 6.5.22 for lunch order

Questions and registration, please contact:
