

A.A.S. Criminal Justice Studies > B.S. Criminal Justice

The Criminal Justice major is designed to meet the needs of students considering a career in the criminal justice system, including law enforcement, law and the courts, and corrections. The major has an interdisciplinary liberal arts focus emphasizing social science knowledge as well as communication and intellectual skills. We offer courses that help students understand the structure and philosophy of the American criminal justice system including causes of crime and delinquency, theories of crime prevention and control, the history, nature, and theories of law enforcement, the basis and operation of criminal courts, and the philosophies and practices of various correctional institutions and programs.

Criminal Justice CORE COURSES with transfer equivalencies:

Carroll University

Milwaukee Area Technical College
