Natural Science – GE1-N1 (DPT needs CHE125 and PHY 120/121	ANT105 or AST100, 105 or BIO101, 121,191, 201, 211 or CHE125, 145 or ENV130 or GEO124, 125 or GLG 101, 169 or PHY 107, 120/121, 141/142. **Choose one
General Education -GE2 (May be completed at Carroll)	AIS/ANT 314 or ANT325 or ART121, 131, 141 or ENG263, 272, 280 or HIS277, 286, 289 or INT290 or PHI261. **Choose one

General Education Requirements

All students must fulfill the Carroll University Pioneer Core requirements including the **Cross-Cultural** and **Distribution Components** to receive their degree.

The **Cross-Cultural Component** includes: CCS199 Cultural Seminar, ENG170 Writing Seminar, CrossCultural Development course (CCD), CCS300 Cross-Cultural Experience and CCS400 Global Perspectives Colloquium.

The **Distribution Component** includes four introductory level General Education 1 (G1) courses and one General Education 2 (GE2) course, outside of their major. A GE2 course must be from the same discipline as one of the GE1 courses (e.g., a GE1 ART course and a GE2 ART course). Distribution areas include: Fine Arts, Humanities, Philosophy/Ethics/Religion, Social Sciences and Natural Science. A general education course is not required in the same area as your degree, for example Education is a Social Science program therefore no additional general education course is required.

Students earning an associate of arts or an associate of arts and sciences degree will have fulfilled various components of the Pioneer Core. *Transfer students with an Associate of Arts or an Associate of Arts & Science degree with at least 52 hours of acceptable transfer credit will have the writing seminar waived and will meet all GE 1 distribution components in the general education curriculum. In addition, transfer credit may be received for the CCD, GE2 and CCE requirements or may complete these requirements at Carroll. * Please consult the Carroll University catalog for details.

To be eligible for program admission, students need to have completed at least 40 undergraduate credits (with at least 12 taken at Carroll) with a minimum grade point average of 2.75. Students will need 150 hours of interaction with children as well as a grade of C or better in English 170 and all education major and minor courses. Students submit their Phase I portfolio to provide initial evidence of their development as a teacher and learner. Students are admitted to the TEP before enrolling in upper-level 300-level education courses. Students who leave the University for one year or more are required to reapply for admission to the TEP. The criteria for re-admission will be those in effect at the time of reapplication. Application deadlines are September 25 or January 25 each year.

Students completing the Elementary Education Major qualify the student to teach grades PK-9. Student may consider a dual license in special education. The Teacher Education Program offers Cross Categorical Special Education (K-12) with two certification tracks: 1) Special Education/Elementary Education and 2) Special Education/Secondary Education. The program focuses on research-based models, including effective strategies and interventions to meet the academic, social and emotional needs of all students.

Students complete the Secondary Education Major with one of the approved majors listed for licensure in the early adolescence through adolescence level. This qualifies the student to teach school subjects related to their major in grades 4 to 12. Students who complete the Secondary Education Major with an approved major in art, music, physical and health education, or Spanish and who have placements in both elementary and secondary school settings during the student teaching semester are eligible for licensure in their subject area in pre-kindergarten through grade 12.

The Educational Studies major provides students with an opportunity to gain a foundation in education. This major will also benefit students whose future careers require working with children, adolescents, young adults, and adults outside of a traditional K-12 setting.

University Convocation Program – attendance at 2 events per year is required of full-time students.

- Students must earn a minimum of 128 credits, with the last 32 credits completed at Carroll.
- Students must earn a minimum 2.0 cumulative grade point average, a minimum 2.0 Carroll University grade point average and a minimum 2.0 grade point average within their major.
- One-fourth of the major requirements must be completed at Carroll University.
- **A total of 64 credits may transfer from a two-year institution.**

Due to changes in course content at UW-M @ Waukesha and Carroll University equivalencies are subject to change. *For more information, contact the Carroll University Office of Admission: 1-800-CARROLL or www.carrollu.edu.* Updated Fall 2020
