

A.A.S. Accounting > B.S. Accounting

The Accounting program provides superior educational opportunities that increase students' professional effectiveness and career success in complex business environments. Carroll University offers three options for students interested in preparing for a position of leadership and responsibility in accounting, whether it is in the public, private or governmental sectors of our economy. Students may choose to complete the accounting major (128 credits minimum), the accounting/CPA (150 hours minimum) or the Accounting major/CPA/MBA.
