

## COVID-19 Modifications

The Office of Dining Services has a comprehensive plan in place to ensure we effectively manage the spread of illness, such as COVID-19. Our team continues to monitor guidance provided by the CDC, WHO and other health authorities. You can rest assured that we are taking many steps to ensure a safe food service environment and to reinforce our stringent health and hygiene standards with our associates. We are committed to keeping you healthy and safe.

### Dining Apps

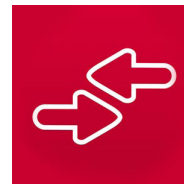

#### Dine On Campus

With the Dine on Campus app you can find places to eat, real-time menus, operating hours, and locations. Select a location to get directions and browse menu items, including nutritional information, and catch up on the latest events.

#### Transact Mobile Ordering

Mobile Ordering is a simple, super convenient way to order, pay and pick up—right from your mobile device. Use the app to order from your favorite campus spot and pay with your meal plan. We'll tell you when to expect your order, notify you every step of the way, and send a message when your order is ready.

#### Transact eAccounts

eAccounts mobile makes it easy to view your dining and other account balances, track recent transactions, and add money to your accounts.

### Preventative Safety Measures

**Additional safety measures have been put in place to protect the campus community from the spread of coronavirus (COVID-19). These are in addition to increasing sanitation practices and maintaining our strict cleaning and disinfecting protocols. Preventative safety measures include:**

- Masks are required for all associates
- All self-serve options in all dining locations will be served by a dining associate
- All bulk condiments have been replaced with individual packets
- All utensil dispensers have been replaced by individual, pre-packaged utensils
- Personal cups can no longer be filled at all beverage locations
- Seating has been reduced and strict physical distancing will be enforced
- Associates will undergo daily wellness checks
- Associates will be required to wash their hands every 15 minutes throughout the day

## Dining Locations and Hours of Operation

Hours are subject to change. Please visit the Dine on Campus Website, [dineoncampus.com/carrollu](http://dineoncampus.com/carrollu), for current hours, menus and more.
