I wish to take _____ from _____
(Department) (Course Number) (Section) (Instructor)

Semester: FA WN SP SUM 1 SUM 2 SUM 3 Year: _____

on a satisfactory/unsatisfactory basis. I understand the following regulations are in effect:

Juniors and seniors are given the choice of taking any or all elective courses on either a satisfactory/unsatisfactory basis or for a letter grade except that no student shall take any course within a major or minor field, including additional requirements for the major or minor, or any course to complete a general studies or LSP requirement on an S/U basis; and that a student shall not be permitted to alter his/her choice after the first four weeks of the semester.

In order to qualify for the Dean's List, a student must be a full-time degree candidate and earn at least a 3.50 grade point average for the previous semester in a minimum of 12 credits with letter grades with the exception of junior and senior-level nursing students who must earn 7 of the 12 credits with letter grades.

For graduation honors, the complete record will be considered and there must be a minimum of 64 credits of letter grades and no more than 64 credits of satisfactory grades within 128. A student must complete at Carroll, in letter graded courses, one-half of the hours (64) required for graduation. Since a student with transfer credit will have a Carroll grade point average (GPA) and an overall GPA, the lower of the two GPA's determines eligibility for honors.
